The Sure Word of Prophecy

"So we have the prophetic word made more sure, to which you do well to pay attention as to a lamp shining in a dark place, until the day dawns and the morning star arises in your hearts"(2 Peter 1:19).

Millions are anticipating the battle of the century with the debate this Monday night between presidential candidates, Donald Trump and Hillary Clinton. If there is any questions as to which should be promoted as President of the United States when there is a limited choice, my reply is to go to the Scriptures. Here is a strong, pro-life candidate, Trump, against a pro-abortion candidate, Clinton. The Bible will always direct us to choose the one who supports the life of the unborn and the existence and security of Israel! ***"Thy word is a lamp unto my feet, and a light unto my path" Psalm 119:105.***

But this is the main problem in these latter days, as the sure word of biblical prophecy has so clearly and often made known to those who take the time to read the Bible: Leaders, both political and religious, have deserted the Word of God and they have forgotten God Himself!

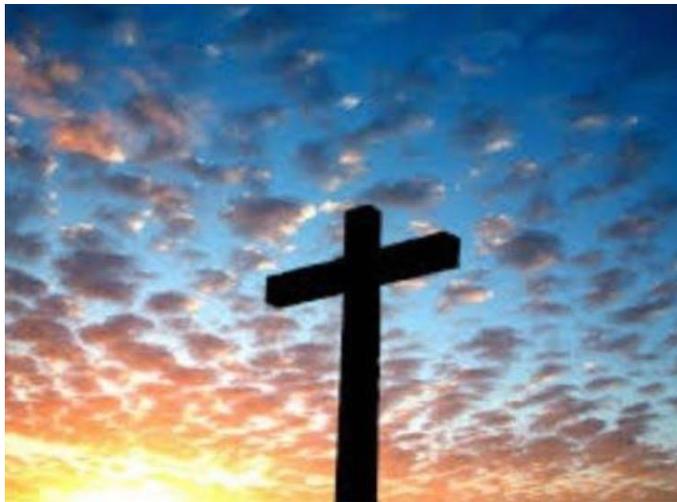

Many of us have been aware of the growing numbers of preachers in America today who have departed from God's Word in their messages to their congregations. Also, some who lead entire denominations have encouraged these ministers to abandon the clear teachings of Scripture in order to become more "politically-correct," and so affirm same sex-marriage, abortion, socialism and global government. Not only do they forget to use the Bible in their preaching, but they somehow manage to mislead people by the thousands to join up with their liberal churches and further the apostasy which the prophets predicted would come in the latter days. It seems that the more outrageous the denials of truth from these preachers and leaders, the more people seem to follow them. But this is all predicted in Bible prophecy, 2 Timothy 3:1,5,13 and 2 Timothy 4:3-4. The times we are living in today require Christians, more than ever, to pay close attention to the "more sure word of prophecy," and to talk about the soon coming of Christ.

Israel has been restored to their land for almost 70 years and the world powers, like Russia, Iran and many others are growing more and more impatient with the mere existence of the Jewish nation. Europe grows more liberal by the month and is opening wide their gates for Islamic immigration and take over. Liberals hope to use Muslims to root out and even destroy the Jews. But what is actually happening are the preparations for the coming of the future Antichrist! With growing signs of the coming great tribulation, I believe that the rapture of the Church is not far off. Many are telling people to be sure to vote at this upcoming presidential election. I believe that Christians should vote, and always for pro-life and pro-Israel candidates! But even more

important is for Christians to make Jesus Christ known to the lost by their life-styles and by their testimonies. Additionally, Christians should make Christ known by their separating immediately from any pastor, church or denomination that undercuts the doctrine of the absolute inerrancy of the Scriptures.

In Israel, the Sanhedrin has been reconstituted, and the articles of the temple worship and service have been prepared. The third Temple is ready to be built! Most do not realize just how close we are to the Lord's promised return! So there is no time to waste! Perhaps the best way to conclude this edition of *Prophecy in Perspective* is with a prayer that I hope will be prayed by many these days in America:

Heavenly Father: Thank you for being the God and Father of our Lord Jesus Christ, virgin born, sinless, crucified, resurrected, ascended, seated and soon coming Son of God. Thank you for salvation by faith in Him, and for sending your Holy Spirit to live in all believers. We acknowledge that you are the only true God and there is no other! I (we) ask in the name of the Lord Jesus Christ, our soon coming Savior and Lord, that you will move upon the hearts of all true Christians in America to pray fervently for this nation. We pray that Christians will live for Jesus Christ and not for self. I (we) repent of our sins and turn back to you as our God. We pray that you will forgive us for supporting in any way Christian leaders who have denied or ignored your Word and politicians that have weakened America by denying God and promoting the murder of the unborn. I (we) pray that you will bind Satan, as, by faith, I (we) bind him in agreement with You, from his evil hold over America. I (we) pray that You will restore our land to being a great nation for God and for Israel. Strengthen me (us) in my (our) faith and absolute commitment to the Bible as Your Word of truth, to our families, as defined in the Bible, and to serving You with all our hearts. I (we) watch and wait for Your coming, Lord Jesus, to rapture us to Your Father's house, and meanwhile continually pray that I (we) will be faithful and uncompromising servants and witnesses, until Your return. I (we) pray this in Jesus' mighty and glorious name, Amen!
